

Vienna, January 25, 2022

The Advertising & Media Psychology Research Group at the Department of Communication, a subunit of the Faculty of Social Sciences of the University of Vienna, seeks to fill the position of an

University Assistant (praedoc)

to conduct the research project “**Citizen Science Engagement of Refugees**” (PI: Jörg Matthes), funded by the Austrian Science Fund (FWF). The project is already running since August 2021, and the successful applicant will be part of a broader project team and also be integrated into the Advertising and Media Psychology team.

Duration of the contract: Initially six months (ideally April 1-September 30, 2022), with possible extension until mid-2023

Extent of Employment: 30 hours/week (praedoc, 75%)

Salary in accordance with collective bargaining agreement: \$48 VwGr. B1 lit.b. (around € 2.290 gross / month)

Job description: Praedoc

- Postgraduate degree MA, MSc (or equivalent study) in communication studies and/or cognate disciplines
- Interest in political communication and persuasion research
- In-depth knowledge of methods of empirical social research, especially quantitative methods (i.e., experiments, surveys) and statistical data analysis
- Fluency in English in writing and speaking
- Computer literacy
- Ability to work in teams

Prae doc applications should include the following documents:

- Letter of intent
- Scientific CV
- List of publications / talks (if applicable)
- Certificates (BA / MA / MSc etc.)
- PDF of the Master Thesis

Applications (in German or English) including a letter of motivation should be submitted as a single PDF via eMail to **Jörg Matthes** (joerg.matthes@univie.ac.at) and **Mario Freyer** (mario.freyer@univie.ac.at) no later than **February 6, 2022**. If you have any further questions or queries, please contact Professor Matthes.
